

*Hello Fellow Stony Lakers,*

*A new committee dedicated to just property owners of Stony Lake and the Association is busy at work planning an event for next summer. It is a non- motorized watercraft poker run. Any craft that does not have a motor qualifies. This includes: kayaks, canoes, rowboats, paddle boats and paddle boards if there is no motor you are eligible*

*The object of the game is to collect your 5 poker cards in a sealed envelope at various docks around the lake and end up at a determined location to show your cards. There will be an award for the winner and various prizes for runner ups. We will also have a treasure chest for the young kids to draw a prize. There is no fee to participate.*

*The date is July 27, 2019. Additional details will be provided at a later date.*

*The purpose of this note on our website is to generate interest and receive an estimate of how many people would participate.*

*If you would kindly email: [kekjohnson7@gmail.com](mailto:kekjohnson7@gmail.com) with a yes, no, or strong maybe – we would truly appreciate it.*

*It promises to be fun event for all on our lake!*

*We hope to hear from you very soon,*

*Sincerely,*

*The Poker Run Committee*
